45th Annual MOMA State Pool Tournament

ELIGIBILITY TEAM AND SINGLES

All players must have a minimum of 32 games in no less than 8 weeks of league play in the current league season.

A Team may draft up to two players from the same league system.

All players must be current members of a M.O.M.A. sponsored league.

Master/AA Division can consist of any 5 players from the same league system and will be handicapped based on Team **CSR Rating** Total of top 5 Players. Any team totaling **CSR** 9,000 or more will play in Master/AA Team division.

For the A, B, and C Team Divisions, the field of entries will be split and divided by their **CSR** Rating Total of top 5 players. The top teams will play in the A, the middle teams in the B, and the lower teams in the C Team Divisions.

SUB RULE: Each team may use up to two substitutes to be entered into the team's match line-up prior to the start of play.

No player should play any other player more than once unless there is a tie. In the event of a tie: select a player from each team, flip for the break, winner wins.

All Players will be placed into the singles and team events based on their CompuSport Rating (**CSR**). If a player doesn't have a robust **CSR**, a rating will be assigned to that player at the discretion of the league operator and MOMA Tournament Director. Also, if a **CSR** rating seems "skewed" in any way, Tournament Director and League Operator have the right to adjust that player's **CSR** rating according to Known Ability.

Game formats - Team Events:

Open Masters/AA - 5-person team - 25 Games

Open A, B, and C - 5-person team - 20 games

Women's Master/AA & A - 4-person team - 16 Games

All divisions are a race to points. Ties will be determined by choosing one player from each team - flip for the break - winner wins the match.
